

# THE VISION FOR THE FUTURE IS EXCITING

## OVER A MILLION DOLLARS OF CAPITAL REINVESTMENT AT WORK

### IN PROGRESS

- Transformed Fitness Center with modern cohesive look & added mirrors
- The Pools are being completely resurfaced & equipment restored
- Upgraded software and equipment to facilitate online tee time booking
- Replacement & repair of exterior light poles in parking lots
- Design & planning for indoor-outdoor casual clubhouse dining
- Improved High-Speed internet & WiFi access

### COMING SPRING - SUMMER 2022

- Upgraded pool experience
- Clubhouse parking lot and exterior landscaping beautification
- All new fitness equipment and weights. Plus, additional fitness programs
- Extensive golf course improvements to increase playability & promote turf health
- Cart path sections replacement and repair
- Complete bunker replacement & repairs
- New Clubhouse roof, fascia & gutters
- Repair & replacement of kitchen equipment
- Finalized plans for a refreshed & updated clubhouse & dining experience
- HVAC repairs in the clubhouse

### STILL TO COME IN 2022

- Refreshed & updated clubhouse interior: flooring, paint, tables & chairs
- Upgraded and enhanced casual outdoor dining space with new bar
- Reimagined tennis center & café
